Texas law imposes a margin tax on each company conducting business in Texas, including the Hotel Owner. To recover the cost of the margin tax, guest room rates are subject to a State Cost-Recovery Fee (currently 0.7% of the room rate, plus applicable state and local taxes). Although the fee is not a government mandated charge, the state allows this charge to be passed on to the customer.

**No Show Policy:** you must notify Southwest® at least ten (10) minutes prior to your flight's scheduled departure if you do not plan to travel on your flight. Customers who fail to cancel reservations for a Wanna Get Away® fare segment at least 10 minutes prior to travel and who do not board the flight will be considered a no show, and all remaining unused Wanna Get Away funds will be forfeited. All remaining unused Business Select® and Anytime funds will be converted to reusable travel funds. If you no show your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of reusable travel funds under the name of the traveler(s).

**Prohibition on Multiple/Conflicting Reservations:** to promote seat availability for our Customers, Southwest prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively canceled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as travel funds for use by the Customer on a future Southwest Airlines flight.
